

ICONIC COVID-19 PROTOCOLS AND PROCEDURES FOR STAFF AND COACHES.

- **Daily screening and temperature check before entering the workplace will be done.**
 - If temperature is over 100 degrees you will not be allowed to enter and will be sent home.
- **If you feel ill or exhibit symptoms of COVID-19 please call in advance and don't report to work.**
- **Upon entry staff must sanitize hands at the sanitation station.**
- **Increased Hygiene practices are required. Wash hands before and after task, sneezing, coughing, using the bathroom, eating etc.**
- **Use of facial masks is required unless taking part in strenuous activity.**
- **City rules are that masks must be worn at 6ft from students and masks may be removed when performing in strenuous activities but a minimum of 10ft social distancing has to be practiced.**
- **When food handling and passing out lunch new gloves must be worn and immediately thrown out after serving food items.**
- **If picking up food and trash after lunch is served new gloves must be worn to throw away trash and dispose immediately after.**
